GREAT OUTDOORS

NAKKASH GALLERY

Aya Nakkash, marketing manager, Nakkash Gallery

Aya Nakkash, marketing manager at Nakkash Gallery, says that the company strives to provide furniture and design ideas that create refined, functional space

WHEN WAS YOUR COMPANY ESTABLISHED?

Nakkash was founded by architect and interior designer, Wajih Nakkash in 1983, and is headquartered in Dubai.

WHAT'S YOUR COMPANY VISION?

Nakkash Gallery strives to add a distinctive cultural flavour to hospitality businesses by providing furniture and design ideas that create refined, functional spaces. The company's designs are driven by continual research, innovation and the latest technology.

WHAT NEW PRODUCTS HAVE YOU LAUNCHED RECENTLY?

Nakkash Gallery recently launched Platform by Rausch and our own collection labeled NC.

Platform outdoor and indoor seating uses clean and conservative shapes and materials such as glass fibre reinforced plastic.

The Nakkash Collection (NC) outdoor furniture is a distinctive showcase of style, and embodies luxury in outdoor living with high quality, weather and UV resistant materials for durability.

WHAT ARE YOUR CORE PRODUCTS AND SERVICES FOR THE HOSPITALITY INDUSTRY?

The company, which focuses on distinctive lines of furniture, artwork and accessories, is a big name in the outdoor furniture industry. We offer high-end products

Manutti Fuse Collection.

and all our furniture is durable and weather-resistant, with materials ranging from synthetic fibre to aluminum, teak wood and nautical leather.

WHAT OTHER NEWS IS THERE FROM YOUR COMPANY?

Nakkash Gallery will be opening a new flagship showroom in 2014.

WHAT IS YOUR BEST SELLER?

We're in a fortunate position, seeing that all our brands have been met with high demand in the market. However one particular brand that stands out is Dedon; the world's leading provider of outdoor furniture. Many of

Nakkash Gallery's prestigious projects have been supplied by Dedon.

“ We offer high-end products and all our furniture is durable and weather-resistant, with materials ranging from synthetic fiber to aluminum, teak wood and nautical leather”
